

The Skeleton Crew
healthy bones
for every body

ACARA links

HEALTH & PHYSICAL EDUCATION

ACPPS002	Name parts of the body and describe how their body is growing and changing
ACPPS004	Practise personal and social skills to interact positively with others.
ACPMP008	Practise fundamental movement skills and movement sequences using different body parts
ACPMP010	Explore how regular physical activity keeps individuals healthy and well
ACPMP012	Cooperate with others when participating in physical activities ACPMP014 Follow rules when participating in physical activities

ARTS

MUSIC

ACAMUM082	Perform music to communicate ideas to an audience
ACAMUR083	Respond to music and consider where and why people make music, starting with Australian music.
ACAMUM080	Develop aural skills by exploring and imitating sound, pitch and rhythm patterns using voice, movement and body percussion.

DRAMA

ACADRM029	Present drama that communicates ideas, including stories from their community, to an audience
-----------	---

DANCE

ACADAM001	Explore, improvise and organize ideas to make dance sequences using the elements of dance
-----------	---

ENGLISH

ACELY1646	Listen to and respond orally to texts and to the communication of others in informal and structured classroom (more about listening in the context of being an audience member or listening for specific purposes.)
ACELY1784	Use interaction skills including listening while others <u>speak</u> , using appropriate <u>voice</u> levels, articulation and body language, gestures and eye contact (more about conversational style interaction though it does include listening in the elaborations).

SCIENCE

ACSSU002	Living things have basic needs (contextual – strong bones come from certain things in our diet – not what vitamins and minerals actually do)
